ConfiAd® Stain Remover Poultice is appropriate for use on exterior or interior stone surface.

Properties:

Removes of food stain, alkali stain, epoxy stains.

Easy to use.

Effectively removes deep set oil, dirt .

Non-acidic formula.

Technical data:

Appearance: Paste

Color: Beige-White

Coverage: approx. 0.05~0.40 m²/kg

pH(5% aqueous solution,20°C): 10~12

Field of Use:

Polished or unpolished marble, limestone, granite and other stone surfaces.

Directions for Use:

1. Apply poultice to the surface using a plasterer's trowel. Uniformly apply a thick 5~10mm coating.
2. Using a light polyethylene film or other moisture resistant material, cover the area treated with poultice. Tape or otherwise seal off the edges of the ply film..
3. Allow paste to remain on the surface for 12 to 48 hours. Remove protective film and dry the paste.
4. Scrape off poultice, Wash the surface thoroughly with fresh water using a sponge of cloth.
5. Repeat application where necessary.
6. Polish the clean surface with a soft dry cloth.

Please Note

Always test the product in an inconspicuous area prior to use.

Storage:		
<p>Storage temperature: Between 5°C and 30°C</p> <p>Must be applied to material at temperature between 5°C and 30°C</p> <p>Shelf life: 2 years approx. if stored in cool place free from frost in it's tightly closed original packing.</p>		
Environmental Protection:		
<p>Disposal: product residues are classified as special waste.</p> <p>Containers are made of environmentally friendly polyethylene (PE).</p> <p>Clean containers can be recycled through collection system.</p>		
Safety:		
<p>The product may only be sold and used by trained professionals.</p> <p>Contents: Sodium Hydroxide/Non-ionic surfactants.</p> <p>Risk and Safety Phrases: harmful in contact with skin and if swallowed.</p> <p>Keep out of the reach of children. Avoid contact with skin and eyes. Do not inhale. Wear suitable protective clothing, gloves and eye/face protection. If swallowed, seek medical advice immediately and show this container or label.</p> <p>First Aid Procedures: remove contaminated soaked clothing immediately. In case of inhalation, take in fresh air. In case of contact with skin wash off immediately with soap and water. In case of contact with eyes rinse thoroughly with plenty of water and seek medical advice. In case of ingestion, do not induce vomiting. If swallowed by mistake drink plenty of water and seek medical treatment.</p> <p>Emergency Procedures: in case of spill or other release, take up mechanically. Ensure adequate ventilation. Use personal protective clothing. In case of fire formation of dangerous gases possible.</p> <p>Suitable extinguishing material: foam, dry powder, carbon dioxide, sand.</p> <p>Additional Information is listed on the Material Safety Data Sheet.</p>		
Packing:		
<p>2kg, 5kg</p> <p>The composition of the tins is Polyethylene High Density (HDPE). After use, comply with the local and national regulations currently in force regarding recycling.</p> <p>Our packing is conformed as per U.N. rules for inland transport (A.D.R.) and by sea (I.M.O.) for transportation via air refer to updated rules (I.A.T.A.).</p>
